ON-THE-WATER TRAINING PROGRAM

INTRODUCING:

My New Boat Program
Training for New Boat Owners

REDUCE YOUR RISK

Insure your future with trained boaters

75%

of boating accidents involve an operator with no training. Don't let your customers become a statistic!

42%

of new boat buyers get out of boating within 5 years if they have had a negative experience

Our Program

Classes are taught by a USCG Captain with recognized credentials from certified programs assigned to your policy holder

- Courses are structured lessons
